REUNION

Beautiful Weather Brought Large Crowd to Hear Speeches and Greet Veterans Who Wore the Gray.

The Confederate Veterans of the local camp had a typical reunion last Thursday at Horse Shoe and nearly all of the old soldiers of this and adjacent counties, together with some visiting veterans were in attendance. The wooded yard of the school house was the scene of gathering and although time had dimmed the eyes and weakened the limbs of many of those who so gallantly wore the gray the great internal struggle, there was no lack of enthusiasm in the greetings and grasp of the scattering few who answered to the roll call. It was the 25th reunion and each succeeding one has added additional vacancies to the

ranks. Seats had been provided under the great oaks and here the veterans and those who had gathered to celebrate the occasion assembled to greet one another and hear the speeches of the orators of the day. Governor Craig was supposed to make an address but was unable on account of official duties to be present, but quite a number of the veterans addressed the assemblage. Pathetic indeed was the recounting of the brave deeds done on the gory field by many of those who are now passing the last milestones of life. The addresses were all listened to attentively and a "rebel" song and yell were among the entertaining feature. After the speaking the gathering became an old time picnic and the grounds were laid with white linen on which was spread great quantities of the good things to eat, so abundant in the Land of the Sky. Over a splendid repast the veterans and their wives, children, grand children and great grand children and their friends and neighbors from far and near, talked over the past and the present and thoroughly enjoyed the day. The weather was perfect and altogether the reunion was one of the happiest ever held in this vicinity.

Meeting of Florida Association Held and Officers Elected for Year—Big Future for Organization.

The Florida State Association of Hendersonville met Wednesday morning at its rooms in the city hall. There were present quite a number of prominent Floridians now summering in and around Hendersonville and considerable interest was manifested in the welfare and progress of the organization. Several of those present spoke on matters of interest to Floridians who have adopted this as a place of summer residence and from assurances it would seem that the organization has a bright future. It is quite likely that its membership will be largely increased before another annual meeting. Among the important business transacted was the election of officers for the ensuing year and those honored by election were: J. R. Hill, Daytona, president; J. G. Lewis, Deland, vice-president; Chas. E. Moore, St. Petersburg, secretary and treasurer. Wednesday afternoon Aug. 27th was designated as the date for an entertainment to be given at Laurel Park for Floridians and South Carolinians and their friends.

It will be known as State Association Day and a program will be arranged for the occasion. Dr. Ennis, J. R. Hill and Capt. Wofford were appointed a committee on arranging the entertainment. Other committees appointed were: Advertising: Gordon Garlington, Chas. E. Moore, Vocal Music: H. C. Meyer. Preparation of instrumental music, W. A. Smith. Finance, Captain J. W. Wofford. All tourists will be invited to the entertainment which will be free. There will be speaking by prominent men of Florida, South Carolina and elsewhere and the best musical program possible will be arranged.

In Memory of Mrs. Smith.

Mrs. Susan Laura Elizabeth Smith was born August 21st, 1842 and died August 3rd, 1913. When just a young girl she heard the voice of her heavenly Father, she recognized the claims of Christ upon her life, she realized the nearness of the Spirit and gladly yielded herself a living sacrifice. During the long period of her life she used her best endeavors to do justly, love mercy and walk humbly with God. She could say with Paul, For me to live is Christ and to die is gain.

She was a great sufferer but she showed in a remarkable way the power of the grace of God to sustain and keep even in hour of trial and distress.

She was a good mother and some day her mother will rise up and call her blessed.

Four children survive her—two daughters and two sons, to mourn their loss.

May the children all follow their mother as she humbly endeavored to follow Christ.

Advertising Methods Adopted by an Enterprising House.

That Hendersonville is fast becoming a metropolitan in the methods of advertising used by our merchants to call the buying public's attention to the many splendid values which they are offering, also that the wide-awake firm of M. M. Shepherd are keeping up with and just a little ahead of the times in an advertising respect is again practically demonstrated by what is perhaps the most elaborate system of advertising ever attempted by any business house in this section, namely: the giving away of the beautiful \$200.00 Graponola De Luxe which is now on exhibition at their store.

In a recent interview with Mr. Shepherd regarding this decided innovation in advertising, Mr. Shepherd stated: "We have been enjoying the patronage and confidence of the buyers of this community for some time now and by always trying to keep our stocks complete the saying that 'You can get it at Shepherd's' has become a household expression. In giving away this Graponola we are actuated by a double purpose, to show our appreciation of the patronage of our friends during the past, and to encourage new trade and to bring the many splendid values we are now showing in all lines to the attention of every buyer in this territory. The plan we are using in giving away this piano is equitable and fair to all, simply this, every person buying one dollar's worth or anything in our store will receive a coupon good for 100 votes. The person returning to us on Jan. 1, 1914 the largest number of votes will be given the Graponola absolutely free of all cost. No favors will be shown. Our reputation for square dealing assures our customers of that fact."

This two hundred dollar Graponola is surely a present worth having and we predict a very "merry race" for votes during the next few months. M. M. Shepherd is surely to be congratulated upon their broad-minded methods and "Trade Getter" advertising system.

TOMATOES

B. F. Pace—the man who began a number of years ago to farm on an extensive rockpile in Blue Ridge township and has converted the aforesaid rock pile into a farm worth \$100 an acre.—B. F. Pace is known far and wide as a potato man. He raises potatoes that are potatoes, and sells them for seed to truckers on the South Carolina coast. But he raises a heap of other things besides potatoes, for he believes in diversified farming. This year, for instance, he had a small patch of tomatoes, one-eighth of an acre. And on that one-eighth of an acre of tomatoes he made \$50.

Does trucking pay?
